Dear Paul,

You are receiving this email because of your relationship with Chaplaincy of Full Gospel Churches (CFGC). Please take a few moments to see what's happening in CFGC by reading the special notices below.

From the Director's Desk:

While in Washington DC last month I was able to take a tour of The US Senate buildings. (I must take a minute here to brag a little as my son, Klon III, is now serving as the National Security Advisor to Senator Ben Sasse of Nebraska.) This picture was taken on the landing going up to the gallery of the senate chamber.

This painting is massive and beautiful. It was done by William Henry Powell, an Ohio artist who received a coveted commission in 1847: the last of the historical paintings for the U.S. Capitol Rotunda. This national success led his home state to commission Powell in 1857 to paint Perry's Victory on Lake Erie and this is that painting. The artist let it be known that he had used as models men from the Brooklyn Navy Yard and had sought authenticity in all the nautical details of the picture, an effort for which he was praised. The picture was installed in Columbus in 1865, whereupon the Joint Committee on the Library commissioned Powell, on March 2, 1865, for a painting "illustrative of some naval victory," to be placed at the head of the east stairway in the Senate wing of the Capitol. It seems certain that he was expected to repeat his Ohio Statehouse subject on a larger scale. He did so, painting it in a temporary studio inside the U.S. Capitol and completing it in 1873. For this version, it appears that Powell used as models workers then employed at the Capitol.

Why do I tell you all of this? I guess it is because I was so taken by the picture and realized how often we do not even think of the work it took to conceive this work of art and how much planning it took to make it as authentic as the master could.

How much work is it taking us to be "authentic"? To be as an accurate representation of "THE MASTER", our Lord and Savior Jesus the Christ, as we are speaking with HIS authority to our country and the world. In John 15 (The Message) we are reminded:

"Now ye are clean through the word which I have spoken unto you. Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing "

If we try to be authentic without being attached to the Creator, Preserver and Governor of all things then we are foolish. We must remind ourselves daily, moment by moment, that we only represent the Truth of the Truth Giver. It is with HIS truth and strength that we are able to show HIS love and mercy with truth and grace. Later in John 15: 8-12 we read these words:

"Herein is my Father glorified, that ye bear much fruit; so shall ye be my disciples. As the Father hath loved me, so have I loved you: continue ye in my love. If ye keep my commandments, ye shall abide in my love, and my Father will love you, and will send the Holy Spirit to abide in you and will be with you, and will be glorified in you."

The current office is on a lease basis and we do not believe that continued renting is the best utilization of God's resources.

Dr. K. has started the process of identifying a suitable facility.

The Founder's Fund was created for the purpose of providing the CFGC Office a more permanent home.

We are asking you to consider making a one time or recurring donation. This would be in addition to your current commitment.

Please mark your donations for the Founders Fund and this money will be set apart for the future purchase. It is our desire as an organization to pay cash for this and not have a mortgage.

Please make this a matter of prayer. We believe this is what is best for CFGC and the ministry it provides as we continue to be the servants to the servants of God. More information will be put out as this process develops.

in my love; even as I have kept my Father's commandments, and abide in his love. These things have I spoken unto you, that my joy might remain in you, and that your joy might be full. This is my commandment, That ye love one another, as I have loved you"

My prayer for each of us is that we might keep His commandments and continually abide in HIS Love!

While my son was showing me around I was able to meet with several staff members and my faith has been renewed by the caliber and dedication of these wonderful people who are working, on our behalf, to make our legislative system work. Please join with me as we lift these people up in prayer as they continue to work for us.

How quickly we forget the people working behind the scene. In like manner how often do we take for granted the Holy Spirit working in and through us as we serve HIM daily. It is only through HIS love that we are able to share His love and mercy with truth and grace. May God continue to bless, keep and guide us as we serve Him!

Blessings
Dr. K.
