

COVENANT RELATIONSHIP

WITH

CHAPLAINCY OF FULL GOSPEL CHURCHES

I, the undersigned _____ do hereby covenant and agree to abide by published Statement of Faith & Policies of the Chaplaincy of Full Gospel Churches, Inc., a Texas non-profit corporation (CFGC), and the Trinity Full Gospel Fellowship, and ordaining body which operates as a division of the CFGC. I understand that I must be in regular and consistent communication with, and provide support to, CFGC in order to remain in good standing, and that I must submit monthly, quarterly or annual reports, emails, and personal information updates, along with my prayerful financial support. I further covenant and agree to notify the CFGC office of any changes to my address, contact numbers, email addresses and assignment or employment.

CFGC covenants that it will provide prayer coverage, professional pastoral guidance and support along with administrative support and documents needed for the employment I am endorsed for. CFGC will strive to provide helpful ministry information and or training to assist in the development and growth of our endorsed and or licensed/ordained chaplains.

CFGC is a Texas non-profit corporation, which is recognized as a tax-exempt religious organization under Section 501(c)(3) of the Internal Revenue Code. The CFGC does not conduct fund raising events or receive government funding, and its operations are funded solely by the financial support of its endorsed chaplains, which it endorses, and of the churches within the Full-Gospel Faith Group that it represents. CFGC requires a Covenant Agreement of financial support from the Chaplains and Ministries that carry an endorsement and or who are licensed or ordained by the CFGC.

All chaplains endorsed, licensed or ordained by the CFGC must pay an amount not less than 5% of their total compensation, to support the continuing ministry of Chaplaincy of Full Gospel Churches. Without the support of our chaplains, we would not exist; similarly, without the CFGC endorsing agency, independent Full Gospel chaplains would have difficulty receiving a federally recognized & accredited endorsement. (You may consider this 5% Covenant Giving as 1/2 of your tithe as CFGC is a faith-based ministry serving God and mankind.)

Covenant. By signing where indicated below, I, the undersigned chaplain or candidate chaplain do hereby agree to abide by the covenants and agreements set forth above, for so long as I am endorsed, licensed or ordained by the CFGC. I recognize my giving supports the Kingdom's work and CFGC has agreed to provide me an annual financial statement reflecting my giving. I also acknowledge that should I further recognize and agree that if I violate this Covenant, then CFGC may withdraw my endorsement, license and/or ordination.
